Endangered Species; Issuance of Recovery Permits and Interstate Commerce

Permits January 2, 2017, through June 30, 2017

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: We, the U.S. Fish and Wildlife Service, have issued permits to conduct activities with endangered and threatened species under the authority of the Endangered Species Act, as amended (ESA). With some exceptions, the ESA prohibits activities involving listed species unless a Federal permit is issued that allows such activity. We provide this list for the convenience of the public as a summary of our permit issuances for the first 6 months of calendar year 2017.

FOR FURTHER INFORMATION CONTACT: See the contact information in the **Permits Issued** section.

SUPPLEMENTARY INFORMATION: We have issued permits to conduct activities with endangered and threatened species in response to recovery permit applications that we received under the authority of section 10(a)(1)(A) of the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.; ESA). These permits were issued between January 1, 2017, and June 30, 2017. Each permit was issued only after we determined that it was

applied for in good faith, that granting the permit would not be to the disadvantage of the listed species, that the proposed activities were for scientific research or would benefit the recovery or the enhancement of survival of the species, and that the terms and conditions of the permits were consistent with the purposes and policy set forth in the ESA.

Permits Issued

Region 1 (Pacific Region: Hawaii, Idaho, Oregon (except for the Klamath Basin), Washington, American Samoa, Commonwealth of the Northern Mariana Islands, Guam, and the Pacific Trust Territories)

The following permits were applied for and issued in Region 1. For more information about any of the following permits, contact the Recovery Permit Coordinator by email at PermitsR1ES@fws.gov or by telephone at 503–231–6131.
